Turkey

5 Night / 6 Day

Istanbul & Cappadocia

www.travelngrowglobal.com

DAY 01

Cappadocia

Upon arrival at Istanbul Airport, get a connection flight to Cappadocia. Check-in at Hotel in Cappadocia and enjoy the night vibe out there following a delicious dinner from hotel, subsequently go for a good night's sleep

DAY 02

Cappadocia

Get off an early start preferably before the breakfast for one of the best claimed 'Hot Balloon Trip' to be entertained by a beautiful aerial view of Cappadocia with a magnificent sunrise, and after that lifetime enriching experiences, you may head to have another breathtaking exposure of the great view of 'Gerome Panorama' which is again having a glance at the history of mankind. Backing these experiences, you would uncover an ancient underground city up to 85m depth with 18 layers (world largest underground city) which makes you aware of many stories about human life and it's evolutions in Turkey. And then move to often called as an AMAZING panoramic 'Ihlara Vally' - It is a canyon 15km long and up to 150m deep valley. After Succeeding Ihlara Valley we may head to the largest and most elaborate cave complex in Cappadocia which is known as Salim Cathedral and the Pigeon Valley to observe an awesome evening with a mind-blowing sunset and a spectacular field vision. After that awesome evening return to Cappadocia, and have a mouthwatering Turkish dinner followed by a nice sleep.

DAY 03

Cappadocia to Istanbul

After breakfast, we will head toward an ATV ride. Subsequently check out from the hotel and fly back to Istanbul and spend the pleasant evening in Istanbul with dinner, following a good sleep.

DAY 04

Istanbul

Off to witness one of the most iconic Ottoman architectural beauties called Sulthan Ahamet Mosque, also known as the Blue Mosque. From there on, you may enjoy Hagia Sophia Grand Mosque which has a great history of different types of emperors and conflicts throughout its whole history. Also, it's one of the most beautiful architectural structures in the world. And the last destination of the day is 'Topkapi Palace' which is the main residence of the Ottoman Sultans and then turned into a museum and library. Then be evident a vibrant Istanbul night and have a good sleep for another excite-full day in Turkey.

DAY 05

Istanbul

Gets an opportunity to wander all-encompassing shopping markets. First, we may witness to the Grand Bazar that is one of the largest and oldest closed markets with 61 covered streets over 4000 shops. Next on the list is Spice Bazar, which is the most famous covered shopping complex after Grand Bazar. And next is to go to experience another museum and an ancient building structure called Galata Tower which was a watch tower - built the highest point of the Galata wall. then go for a walk through the famous Istiklal street with many historical buildings and arts. Taksim Square will be our last destination for this trip that is on the European side of Turkey famous for it's various cousin restaurants. Here turns the last night of this eventful business trip. Looker-on the last night of your Turkey days during this trip and enjoy it till your heart is full and sleep like a baby.

DAY 06

After check out, on the way to airport,
we can visit the Dolmabahce Palace
& Ortakoy Mosque

say goodbye to Turkey until you come
back again to explore the rest....
