

5 DAYS/4 NIGHTS

Bali

DAY 01

When you arrive in Bali, you will be greeted by a representative who will assist you with your luggage and transfer you to your hotel. During the transfer, you can take in the sights and sounds of Bali, which is known for its beautiful beaches, rice terraces, and rich culture. Your transfer will take you from Ngurah Rai International Airport to your hotel, where you can check in and settle in for the rest of the day. You may wish to explore the hotel's facilities or take a stroll around the nearby area to get a feel for your surroundings.

DAY 02

you will be visiting Tanjung Benoa to participate in water sports, including a banana ride. A banana ride involves sitting on a banana-shaped boat that is towed by a speedboat, providing a fun and thrilling experience.

After the water sports activities, you will visit Uluwatu Temple, which is located on a steep cliff overlooking the Indian Ocean. The temple is one of the six key temples believed to be Bali's spiritual pillars and is dedicated to the spirits of the sea. You can enjoy stunning views of the ocean and watch the famous Kecak dance performance during sunset, which tells the story of the Ramayana through dance and chanting.

DAY 03

you will embark on a Kintamani tour, which includes several exciting destinations.

First, you will visit Celuk village, which is known for its traditional gold and silver smithing. Here, you can witness skilled craftsmen creating intricate designs using gold and silver, and you can purchase souvenirs to take home. Next, you will visit Mas village, which is located in the central part of Bali and is known for its wood carving. You can observe local artists creating intricate and detailed wood carvings and sculptures.

After Mas village, you will visit Ubud Palace and the market, where you can experience the rich cultural heritage of Bali. The palace was built in the early 1900s and is still the residence of the Ubud royal family. You can also explore the bustling Ubud market, where you can find an array of souvenirs, textiles, and handicrafts.

The next stop on the tour is agro-tourism, where you can learn about the different types of crops grown in Bali, including coffee, cocoa, and spices. You can also taste various types of coffee, including the famous Luwak coffee, which is made from coffee beans that have been eaten and excreted by civet cats.

Finally, you will visit the Kintamani volcano, which is an active volcano located in the Bangli Regency of Bali. You can enjoy stunning views of the volcano and the nearby Lake Batur

DAY 04

you will embark on a Bedugul tour, which includes several exciting destinations.

The first stop on the tour is Tanah Lot Temple, which is one of Bali's most famous landmarks. The temple is located on a rock formation in the sea, providing stunning views of the ocean and surrounding area. The temple is dedicated to the sea goddess and is believed to be one of the seven sea temples along Bali's coastline.

The next stop on the tour is Ulundanu Temple, which is located on the banks of Lake Beratan in Bedugul. The temple is dedicated to Dewi Danu, the goddess of the lake, and is a popular spot for photography due to its stunning location on the lake.

DAY 05

On the final day, you will check out of your hotel and be transferred to Ngurah Rai International Airport for your departure flight.
